

in one

*Dedicated to Dr. Jean Barr on her retirement
from the Eastman School of Music*

by Maggie Hinchliffe

*In the depths of the dungeon,
without interruption
(except a concussion),
we practice in one.*

*Fifteen over four,
only one phrase per score,
Bach or Ben Moore,
“Just play it in one.”*

*Oh, lovely Jean Barr,
our school’s superstar,
teaching all repertoire,
there is only one!*
